

## Informational Session

### Introductory Session: (60-90 minutes)

#### Booking Now

An opportunity to learn about programs, services, and resources related to caring for older adults and caregivers offered in your local community. Meet our team along with national, state, and local partners who offer specialized programs to train volunteers to support older adults and caregivers within faith and religious communities.

**Target Audience:** Anyone with a desire to learn more about the care of older adults.

## Educational Workshops

### Workshop I: The Basics (5 hours)

#### Booking Now for Fall 2022 and Spring 2023

A jam-packed educational opportunity to learn more about specific topics related to older adults and caregivers. Experts will give presentations on dementia, caregiving, legal issues, transitions of care, advance care planning, mental health, and safety. This workshop will emphasize how to incorporate programs serving older adults and caregiver into the faith and religious community. Resources will be available to review and information on specific facilitator trainings will be highlighted.

**Target Audience:** Faith and religious community leaders and congregants with a heart for serving older adults.

**Lunch and workshop materials provided included with workshop registration.**

### Workshop II: Let's Get Serious (4 hours)

#### Booking Now for Spring 2023

Participants will receive information and resources on emergency & disaster preparedness, livable communities, financial safety, and caregiver support from statewide experts. AARP is a nonprofit, nonpartisan organization that empowers people to choose how they live as they age. In addition, this workshop will feature opportunities for legal consultation offered by the Tennessee Alliance for Legal Services (TALS) and a session to discuss healthcare decisions hosted by Honoring Choices Tennessee.

**Target Audience: Open to anyone. Lunch and workshop materials included with workshop registration.**

## Dementia Friends

A Dementia Friend is anyone who watches a series of online videos to learn more about what it's like to live with dementia, then takes action to show their understanding and support. Together, Dementia Friends create Dementia Friendly Communities. Dementia Friendly Communities are compassionate places where those with dementia can live with respect and dignity.

### How do I become a Dementia Friend?

Visit this website (<https://dementiafriendsusa.org/become-a-dementia-friend>) watch a series of online videos, and commit to support those living with dementia in your community. In less than 20 minutes, you can watch the entire video series and receive an online certificate naming you as a Dementia Friend! Each video provides basic information about the struggles a person with dementia may experience and what one can do to help.

## Facilitator Trainings

For volunteers who desire additional training to provide support and provide resources to congregation members in their faith or religious community. Programs are offered at no cost while grant funding lasts. Each program will be hosted by experts and will include materials for the volunteer.
